Errors found in this webpage

- It submitting assigned asset ,assigned asset should not be requestable

The screenshot shows a web browser window with the address bar displaying "http://3.110.48.5:8049". The page title is "Request Asset". The form contains the following fields:

- Employee ID**: A text input field containing "ATS0123".
- Asset Type**: A dropdown menu with "Keyboard" selected.
- Reason**: A text area containing "ndfgjhh".

At the bottom of the form are two buttons: "Submit" (blue) and "Cancel" (red). A modal dialog box is open on the right side of the screen, displaying the message "3.110.48.5:8049 says Request submitted successfully!" with an "OK" button.

The background of the page shows a list of assets:

- Monitor**: Dell 27" 4K, Serial: DEL2023-5678.
- Keyboard**: Logitech MX Keys, Serial: LOG2023-9012.
